MINUTE

No 293/1960(04) Dated June 10, 1959.
Subs: one map.

On receipt of representations in connection with the grant of land in Anekal taluk for colonising Hakki Pikkies, a nomadic tribe which lives mainly by begging and catching game birds and selling, I, in company with the Hon'ble Minister for Co-operation, visited the locality personally on 2nd June 1959, and perambulated the Ragihalli State Forest. The D.F.O., Bangalore also accompanied me. The local revenue officers were also present.

It is learnt that Government of India has granted large amounts of money for rehabilitating the said class of people and it is necessary that they must be given land for Gaothana and Farming purposes.

In my opinion, it is necessary to grant the area roughly about 350 acres in Ragihalli State Forest bounded in the east, north and west by the D'line up to the Doddannakere in the south. The area granted to Shri Chowdappa Reddy vide S.No. 14 to 18 measuring about 21.36 acres is to be excluded. Out of about 350 acres, about 7 to 8 acres will be converted into sites for housing these nomadic tribes.

The Forest Department should take action to disafforest and hand it over to the Revenue Department with the standing malki. The Revenue Department may take action to allot the said lands to the Co-operative Farming society consisting of about 80 families. The land may be allotted to the society on the following conditions:-

(1) The land should be granted to the Hakki Pukki Co-operative Farming Society if it is formed;

(2) It is to be granted on unalienable and impartiable basis;

P.T.O.

(8)

2

(3) Soil conservation measures like terracing and bunding, tree planting etc. should be taken to preserve and conserve the soil;

(4) Clearing of the standing growth should be done in areas which come under immediate cultivation only;

(5) The colony site area is to be laid out on a well planned basis;

(6) The school building and community hall should be located in the centre with enough lung space all round it;

(7) The land, if not utilised for the purpose for which it is granted, will revert back to the the Forest Department;

& (8) Any other conditions which the Revenue Department may think proper in the interest of these people.

The Revenue Department may take action to formulate a scheme in consultation with the Director of Social Welfare.

(K.F.Patil)

FOREST BRANCH

Copy of letter No.B3-5-51/59 dated 28-4-1959 from the Chief Conservator of Forests in Mysore, Bangalore to the Secretary to Government, Agriculture and Forest Department, Bangalore.

Sub:-Settling of Hakkipikki families in Bannerghatta.

I write to state that the District Forest Officer, Bangalore has reported that 70 families of Hakkipikki tribes men are camping close to the "D" line of Kalkere and Bannherghatta Forests in the limits of Bhottanahalli village on revenue waste lands and that they now want lands in Varadahalli Beelu in Banngerghatta State Forest and Karamaranahalli Beelu in Kagihalli State Forest. The second area has already been ordered to be released to Sri Chowdappa and Mariappa vide G.O.No.AFD 425 DST 58 dated 18-10-1958.

Hakkipikki tribe are nomads and by nature they do not stick to any particular place. An attempt has been made to settle these people in Hunsur Taluk, where some families are settled and instead of releasing forest lands in Bangalore District where the percentage of forest is already low these persons who are now camping near Bannerghatta may also be induced to join their people in Hunsur Taluk.

Orders of Government as deemed fit may kindly be issued very early as afforestation work has already been taken up in the Bannerghatta State Forest and further works will have to be stopped if the area is decided to be released.

D.4217 2/5/59.

There are considerable areas of assessed and unassessed lands in only 4 taluks of Bangalore district as detailed below:-

Assessed		Unassessed	
Acres	Guntas	Acres	Guntas
9539	8	1,41,224	19

The area of such lands in the whole state is about 38 lakhs of acres where such settlement could be effected. I therefore suggest that the probability of settling these people on the large areas of assessed and unassessed waste lands may be considered before ordering release of reserved forest lands.

Bangalore.

Sir,

Sub: Legislators' suggestions and Chief Ministers' remarks thereon.

Ref:-Your letter No.AFD 40 FGN 59 dated 10-3-1960.

Government in their No.AFD 40 FGN 59 dated 4-8-1959 have ordered the disforestment of 350 acres of land in Rajchalli State Forest, Bangalore South Taluk, for the formation of an Agricultural Colony for the Hakki Pikki families, out of which an extent of about 7 to 8 acres is to be converted into house sites for housing the Hakki Pikkies. The area in question has already been taken over by the Revenue Department. Further action to allot the lands to these families has to be taken up by the Revenue Department. The Deputy Commissioner, Bangalore District, is reported to have taken further action in the matter.

Yours faithfully,

(K.KADAMBI)
Chief Conservator of Forests.
